Please verify that body marking matches race number printed on bib, bike, and helmet. In order to enter and exit transition area, all numbers must be visible.

Transition Area Access

The transition area will be open on race day from 6:00am – 7:15am only. Any athlete including relay team members, who arrives after 7:15am will not have access to the transition area. At the end of the race, you must wait until the last athlete has started his/her run to enter the transition area. No one is permitted to claim bikes and gear until the open transition announcement has been made (approximately 9:30 am)...NOT BEFORE. Sprint Athletes will be permitted to remove bikes from their area after the last Sprint Bike has returned – *PLEASE Wait for the announcement.*

Relay Team Transition Area Access

To reduce congestion, only the relay team cyclist will have access to the transition area. Relay teams must pass the timing chip to their teammates in the holding areas just outside the transition area following each segment. Relay Team Cyclist may secure all personal items belonging to the swimmer and runner at the relay team's bike rack.

Timing Chips

All athletes are required to pick-up timing chips the morning of the race before entering the transition area. Do not lose your chip. Each chip is encoded with specific registration data so no chip trading is permitted. Chips must be affixed to the left ankle prior to the swim start and must be worn during the entire triathlon event. Athletes are responsible for crossing the timing mats at the end of each segment (e.g. swim finish) and are responsible for the safe return of the chip at the finish line. Relay team members must pass the chip to teammates after completing their segment of the race. Crossing the timing mats as you re-enter transition to reclaim your gear with your chip in place will alter your transition times. Lost chips will incur a replacement charge of \$30.

Swim Cap

The swim cap is distributed at packet pick-up and must be worn during the swim. Do not trade swim caps with other athletes, as caps are color coded to assist in the organization of the swim start. Each of the swim waves leave by age group, Clydesdale & Athena categories...everyone must leave in the correct age group. Refer to the Swim Wave information provided.

Swim Course

The swim begins by heading towards the first set of buoys. Proceed around the buoys, keeping all buoys on your right. Athletes who cut any portion of the swim course will be assessed a penalty. Certified Water Safety Personnel will monitor the course throughout the swim. Athletes needing assistance should raise hands above your head and safety personnel will assist.

Transition Area

Per USAT regulations (for the safety of everyone) athletes will not be permitted to ride bikes in or out of the transition area. Athletes must walk or run while in the transition area. Please watch out for other competitors and follow instructions of race officials as you move through transition. Mount & Dismount your bikes within the designated areas.

Leaving Transition (After Event Has Concluded)

To remove bikes and gear from the transition area, all athletes must show their race number (body marking or bib). Race Officials will monitor all equipment removal.

Bike Course

Approved helmets are required during the bike segment. Athletes must have helmets securely fastened before mounting and dismounting bikes. Drafting and blocking (impeding the progress of passing cyclists) are not permitted during the race. USAT officials will monitor the bike course and strictly enforce rules. Please check your bike and make sure you have bar end plugs before bringing your bike into transition area Saturday morning. Athletes will exit transition and mount at mount line. Remember the bike course is open to traffic; Law Enforcement Officers will staff all intersections but it is up to the athlete to know the course and yield to any traffic. Your safety is our key goal.

Run Course

The Run Course will be on Fort island Trail. This is an out and back on an "open course" so please run accordingly and watch for traffic. Although there is minimal traffic on this dead-end road, there may be some vehicles trailering boats to the boat ramp. Water Stations are located along the course. Each station will have water & Gatorade. Please drink early and often. Each mile is marked. Runners please give leeway to oncoming runners. You must have your race bib on in the front.

Finish

The run course officially closes at 9:30 am. A race vehicle will sweep the course and pick you up if needed. You may elect to continue on your own, however, course support may be pulled in accordance with our permit. The finish clock will remain on and times will be recorded until 10:00am.

Duathlon Course

The Duathlon will consist of a 2 mile Run, starting simultaneously with the first swim wave. Athletes will run into transition at the same place as swimmers. Duathletes will then complete the same 15M Bike and 3 Mile Run as the Triathletes.

AquaBike Course

The AquaBike will begin with the .25 mile Swim, starting in the fourth (4th) swim wave. AquaBikers will then complete the same 15M Bike as the Triathletes. After completion of the Bike Course, AquaBikers will re-rack their bike in transition and proceed directly to the Finish Line, where their official time will stop.

Dropping Out

If you fail to complete the entire triathlon course, please notify a race official and return your timing chip to the finish line area.

Unsportsmanlike Conduct

Unsportsmanlike conduct or the verbal abuse of any race official or volunteer during the race or at any time during the pre-race or post-race activities will result in immediate disqualification and be reported to the USAT. Basic Manners apply here folks. Follow the Golden Rule and everyone will have a great day!

Timing & Results

Race results will be posted prior to the awards presentation. Please report any discrepancy to a race official prior to the start of the awards presentation. Athletes who do not wear the timing chip during the entire event will not be scored. Note: Penalties will be posted after the first round of results.

Medical Care

EMS will provide medical care for any injuries.

The greatest risk to athletes during the race is the potential of heat-related injuries associated with inadequate hydration prior to and during the event. Be sure to drink plenty of fluids throughout the race.

USAT Rules

As a USAT Sanctioned Event, USAT rules will be enforced by USAT Race Marshalls. Athletes should familiarize themselves with these rules. Rules are available at www.usatriathlon.org.

Age Requirements

Participants in the triathlon must be 14 years or older on December 31st. However, exceptions are made for seasoned youth athletes (Race Director will have a consultation with athlete's parents).
