All proceeds to benefit Soldiers Freedom Outdoors. Soldiers Freedom Outdoors is a 501(c)(3) non-profit organization, founded in 2011 and became a public charity in 2014.

“Soldiers Freedom Outdoors is dedicated to serving our active-duty and service veterans. In 11 years of service, SFO has provided eco therapy (nature therapy) to hundreds of soldiers, regardless of gender, service branch or length of service.

Since our inception, we have helped change the lives of many suffering from post-traumatic stress and re-connected them with the healing power of Nature. Some of our heroes have said our program saved their lives... powerful testimonies like that make us work harder than ever to meet our soldier's needs and gives us confidence we are making a difference.”
