### **NEW USAT RULES IN EFFECT FOR 2023! (You Better Read This!)**

There are several new rule changes for 2023 that you should know.

The first is the use of a "Penalty Box" rather than assessing time post-race. **How this works:** Athletes on the Bike Course who are in violation (eg. Drafting or Blocking) will be notified by the official on the motorcycle by holding up a BLUE CARD. If an official pulls up next to you and shows you a BLUE CARD, then you have received a penalty. When you complete the bike portion of the event, there will be a "PENALTY BOX" tent before you enter Transition. YOU MUST STOP IN THE PENALTY BOX for 1 Minute, before proceeding. A volunteer will record your number to verify you made the stop. ***If you do not stop, you will be disqualified.***

The next change you should know is the use of a Snorkel. Snorkels are no longer legal. ***How this works:*** If you choose to use a snorkel, you will be moved to a non-competitive category and not be eligible for awards. Similar to wearing a wetsuit above a water temp of 78 degrees. You can still do it you just are not eligible for awards. You will start in your normal wave but will be moved to a non-competitive category.

**Reminder: HEADPHONES ARE NEVER PERMITTED** in Triathlons and may result in **DISQUALIFICATION**

***This Packet is filled with important information. The answers to your questions are here. Please, please, please take the time to look through this detailed guide. You'll be glad you did.***

## Relay Teams

Each relay team member must be present for packet pick-up and each must show proof of USAT membership. Substitution of a relay team member will not be permitted.

## Mandatory Bike Check-In

Bike check-in is 6:00am-7:15am, Saturday morning. If you arrive after 7:15am, **you will not be allowed to check in your bike**. Please consider driving time to Camp Blanding. Transition will close at 7:15am. No exceptions.

## Race Day Parking

Race day parking is located on Base, adjacent to the Transition Area. Please Follow the signs and instructions of the parking volunteers. Park in the grass, in rows, allowing enough space to back out. Please arrive early and do not park in any private or prohibited areas to avoid being towed.

## Race Numbers

There are 3 types of race numbers provided at check-in that are required to be displayed by the athletes during the event:

\*Bicycle Frame Number: Must be attached to bike with number clearly visible on both sides.

\*Helmet Number: Must be applied to front of your helmet and worn during the event.

\*Bib Number: **During the run portion, bib number must be displayed**. Bib numbers are pinned to the **front** of shirt or attached to a race belt. Safety pins are provided at check-in. Bib numbers **MUST** always be in front for identification, photo, and safety purposes.

## Body Marking

We will have a Body Marking Station available, however, **YOU ARE ENCOURAGED TO BODY MARK YOURSELF AND FOLLOW THE DIRECTIONS BELOW**. Competitors will not be permitted into the transition area without proper body marking. Please verify that body marking matches race number printed on bib, bike, and helmet. In order to enter and exit transition area, all numbers must be visible.

## Transition Area Access

The transition area will be open on race day from 6:00am – 7:15am only. Any athlete including relay team members, who arrives after 7:15am will not have access to the transition area. At the end of the race, you must wait until the last athlete has started his/her run to enter the transition area. No one is permitted to claim bikes and gear until the open transition announcement has been made (approximately 9:30 am)...NOT BEFORE. Sprint Athletes will be permitted to remove bikes from their area after the last Sprint Bike has returned – *Wait for the announcement*.

## Relay Team Transition Area Access

To reduce congestion, only the relay team cyclist will have access to the transition area. Relay teams must pass the timing chip to their teammates in the holding areas just outside the transition area following each segment. Relay Team Cyclist may secure all personal items belonging to the swimmer and runner at the relay team's bike rack.

## Timing Chips

All athletes will have your **Disposable Timing Chip** included in your Race Envelope. Simply remove the small tab at the end of the strap to reveal the adhesive. **Make sure to leave 2 fingers of space between the strap and your leg to avoid chaffing**. DO NOT REMOVE THE FOAM PIECES ON THE STRAP. You are required to attach your timing chip before entering the transition area on Race Day. Do not lose your chip. Each chip is encoded with specific registration data so no chip trading is permitted. Chips must be affixed to the left ankle prior to the swim start and must be worn during the entire triathlon event. Athletes are responsible for crossing the timing mats at the end of each segment (e.g. swim finish). Relay team members will have a Velcro tab and must pass the chip to teammates after completing their segment of the race. Crossing the timing mats as you re-enter transition to reclaim your gear with your chip in place will alter your transition times. Chips DO NOT need to be returned at the end of the event!

## Swim Cap

The swim cap is distributed at packet pick-up and must be worn during the swim. Do not trade swim caps with other athletes, as caps are color coded to assist in the organization of the swim start. Each of the swim waves leave by age group, Clydesdale & Athena categories...everyone must leave in the correct age group. Refer to the Swim Wave information provided.

## Swim Course

The swim begins by heading towards the first set of buoys. Proceed around the buoys, keeping all buoys on your left. Athletes who cut any portion of the swim course will be assessed a penalty. Certified Water Safety Personnel will monitor the course throughout the swim. Athletes needing assistance should raise your hand above your head and safety personnel will assist.

## Transition Area

There will be 6 bikes per rack in transition so please allow for proper spacing.

Per USAT regulations (for the safety of everyone) athletes will not be permitted to ride bikes in or out of the transition area. Athletes must walk or run while in the transition area. Please watch out for other competitors and follow instructions of race officials as you move through transition. Mount & Dismount your bikes within the designated areas.

### Leaving Transition (After Your Event Has Concluded)

To remove bikes and gear from the transition area, all athletes must show their race number (body marking or bib). Race Officials will monitor all equipment removal.

## Bike Course

Approved helmets are required during the bike segment. **Athletes must have helmets securely fastened before mounting and dismounting bikes.** This is a loop with an out and back section on an “open course” so please bike accordingly and watch for traffic. Drafting and blocking (impeding the progress of passing cyclists) are not permitted during the race. USAT officials will monitor the bike course and strictly enforce rules. Please check your bike and make sure you have bar end plugs before bringing your bike into transition area Saturday morning. Athletes will exit transition and mount at mount line. Remember the bike course is open to traffic; Law Enforcement Officers will staff all major intersections, but it is up to the athlete to know the course and yield to any traffic. Your safety is our key goal.

## Run Course

The Run Course is an out and back on an “open course” so please run accordingly and watch for traffic. Although there is minimal traffic on this road, there may be some vehicles moving about the base. **Water Stations are located along the course. Trash receptacles will be placed 250’ following the aid station.** Please drink early and often. Each mile is marked. Runners please give leeway to oncoming runners. **You must have your race bib on in the front.**

## Finish

The run course officially closes at 11:30 am. A race vehicle will sweep the course and pick you up if needed. You may elect to continue on your own, however, course support may be pulled in accordance with our permit. The finish clock will remain on and times will be recorded until 12:00pm.

### **Duathlon Course (Sprint Only)**

The Duathlon will consist of a 2 mile Run, starting near the Finish Line, simultaneously with the first Sprint swim wave. Athletes will run into transition at the same place as swimmers. Duathletes will then complete the same 12M Bike and 3 Mile Run as the Triathletes.

### **AquaBike Course (Sprint & Olympic)**

The AquaBike will begin with the (Sprint .25 mile / Olympic .93 mile) Swim, starting in the “Specials” swim wave. AquaBikers will then complete the same 12M/24M Bike as the Triathletes. **After completion of the Bike Course, AquaBikers time will STOP at TRANS IN.** They will re-rack their bike in transition and proceed directly to the Finish Line, where they will receive their FINISHER MEDAL.

## Dropping Out

If you fail to complete the entire triathlon course, please notify a **race official** (not a volunteer) and return your timing chip to the finish line area.

## Unsportsmanlike Conduct

Unsportsmanlike conduct or the verbal abuse of any race official or volunteer during the race or at any time during the pre-race or post-race activities will result in immediate disqualification and be reported to the USAT. Basic Manners apply here folks. Follow the Golden Rule and everyone will have a great day!

## Timing & Results

Race results will be posted at the event and online following the awards ceremony. If you see any issue with the preliminary results, please go to the Red Timing Trailer and someone will assist you. Please report any post-race discrepancy via e-mail to [timing@drcsports.com](mailto:timing@drcsports.com). Athletes who do not wear the timing chip during the entire event will not be scored. Note: Penalties will be posted online after the first round of results.

## Medical Care

EMS will provide medical care for any injuries.

The greatest risk to athletes during the race is the potential of heat-related injuries associated with inadequate hydration prior to and during the event. Be sure to drink plenty of fluids throughout the race.

## USAT Rules

As a USAT Sanctioned Event, USAT rules will be enforced by USAT Race Marshalls. Athletes should familiarize themselves with these rules. Rules are available at [www.usatriathlon.org](http://www.usatriathlon.org). *(See the New Rules for 2023 discussed earlier in this document)*

## Age Requirements

Participants in the triathlon must be 14 years or older on December 31<sup>st</sup>. However, exceptions are made for seasoned youth athletes (Race Director will have a consultation with athlete's parents).

## Final Results & Awards

Race results will be posted online [www.DRCSports.com](http://www.DRCSports.com) following the race. The top three participants in each age category will receive an award. There are also separate Overall Male and Female plus Clydesdale, Athena, Military, Fat Tire, Relay Team, and Novice Awards.

**Results** will be sent to USAT for points rankings. Please have a safe race and we look forward to seeing you at future events.

## Awards Party

The Awards Ceremony begins at approximately 10:00am. The Awards *Party* begins as soon as YOU cross the finish line! Be sure to stick around for Delicious Food, fruit, snacks, etc. Also, please check out our sponsors for this great event.
